**FLOWERS, NOT ARTIFICIAL**

Presentation Suggestions

1. With flowers, individual blooms are shown with only one bloom open per stem. If an extra bud is present, it must be in the right stage so that it will not lower the rating of the exhibit. Stem and foliage are not considered.
2. With flowers that have multiple blooms, stems are shown. This will include such flowers such as sweet peas, stocks and phlox. The number of blooms open will be to the advantage of the exhibit.
3. Try not to have any faded petals.
4. All exhibits should be well groomed, both plants and containers.
