HEALTH SPOTLIGHT

This social distancing has sure put a stopper on exercising together. Group running is what really motivates me and most races are cancelled, however, virtual events have filled the gap. A group of us are currently running the Grande Canyon as a group. As we log our miles we can see where we are on the trail, the real view. Very cool. And very motivating. Check it out! There are no limits to the majestic future which lies before the mighty expanse of Canada with its virile, aspiring, cultured, and generous-hearted people. – Winston Churchill
You can't buy happiness, but you can live in Canada and that's pretty much the same thing – Unknown
Hysterically funny, amazingly talented people. That's what I think of when I think of Canada.
That, and cold beer. And mountains. – Richard Patrick
